Volume 12 Number 27

Dear Parents

## **IMPORTANT INFORMATION FOR ALL PARENTS FROM THE GOVERNMENT REGARDING THE EASTER BREAK**

Where a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms more than 48 hours since being in school, that is after 3.30 pm on Saturday 3<sup>rd</sup> April, the school should not be contacted. Parents and carers should follow contact tracing instructions provided by NHS Test and Trace.

For the first 6 days after teaching ends, that is up to Wednesday 7<sup>th</sup> April, if a pupil or staff member tests positive for coronavirus (COVID-19), having developed symptoms within 48 hours of being in school (that is becoming ill on the Thursday evening, Friday or Saturday up to 3.30pm) all schools have been asked to assist in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school. Parents will do this by using the confirmed Covid case e mail available via the Home page on the school website. As previously Mr Hayes, Mr Bright and Mrs Taggart will have these e-mails forwarded directly to themselves. Thank you for your continued support in sending this information to protect others.

## **IF YOU OR A FAMILY MEMBER TAKE A TEST AS A RESULT OF COVID SYMPTOMS, WHICH ARE:**

- A HIGH TEMPERATURE (FEVER) - HOT TO TOUCH
- A NEW CONTINUOUS COUGH
- A CHANGE TO YOUR SENSE OF SMELL OR TASTE

**YOU MUST SELF-ISOLATE AND STAY AT HOME, AS A HOUSEHOLD, UNTIL YOU RECEIVE YOUR RESULTS.**

**PLEASE NOTIFY SCHOOL (USING THE EMAIL ADDRESS BELOW) OF YOUR RESULTS, EITHER WAY, TO PROTECT THE SAFETY OF OTHERS IN OUR SCHOOL COMMUNITY.**

**[confirmedcovidcase@st-gabriels.staffs.sch.uk](mailto:confirmedcovidcase@st-gabriels.staffs.sch.uk)**

**KEY INFECTION AND PREVENTION CONTROLS REMAIN IN PLACE** as published in the "daily plan". By following these measures we all reduce risks in our setting and create a safer environment.

We MUST always:

1. Minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school.
2. Ensure face coverings are used in recommended circumstances.
3. Ensure everyone is advised to clean their hands thoroughly and more often than usual.
4. Ensure good respiratory hygiene for everyone by promoting the 'catch it, bin it, kill it' approach
5. Maintain enhanced cleaning, including cleaning frequently touched surfaces often using standard products, such as detergents.
6. Consider how to minimise contact across the site and maintain social distancing wherever possible.
7. Keep occupied spaces well ventilated.
8. Ensure individuals wear the appropriate personal protective equipment (PPE) where necessary.
9. Promote and engage in asymptomatic testing, where available.
10. Promote and engage with the NHS Test and Trace process.
11. Manage and report confirmed cases of coronavirus (COVID-19) amongst the school community.
12. Contain any outbreak by following local health protection team advice.

### Open - Lent Daily Liturgy from One Life Music

Following the success of OPEN - Advent daily liturgy, Dan and Emily, from One Life Music, are back with OPEN - Lent which provides an opportunity in Lent for a few short minutes of prayer and unity as a school community, coming together in faith, in the classroom or from the home.

Open - Lent takes the form of a daily five minute video full of prayer, reflection and music. We have been and will continue to share the videos with the children in school.

### Cafod Children's Liturgy

Cafod continue to share a live Children's Liturgy each Sunday at 10am. The Liturgy can be watched live or as a recording later on. The sessions are a great way to engage with the Sunday Gospel and feature songs, prayer, readings and quizzes! You can find out more and sign up to take part at <https://cafod.org.uk/Education/Children-s-liturgy>

### Vocations Art Competition for the Year of St. Joseph

The Archdiocese are holding an art competition for Year of St. Joseph and three fantastic pieces of artwork from pupils in years 1, 3 and 5 have been chosen by teachers to be entered into the competition! Well done to George L in 1NH, Oliwia B in 3LH and Mollie W in 5AC who produced beautiful art inspired by St. Joseph.

Their work has now been forwarded to the Vocations Office for judging and we wish them well in the competition! Mrs Townsley

### Parents/Carers Mask Wearing

Thank you to all those parents and carers who continue to wear a mask when coming on to the school grounds. This is to protect yourselves and to protect others. Thank you.

### **Parking**

Please continue to be aware of the need to park responsibly in the local area and in and around the school. Thank you to the majority of parents who continue to park lawfully and sensibly.

Parking is not allowed in front of the school gates, the yellow lines and zig zags are there to stop people parking there and to protect and keep all of our children safe.

Please never park up on the footpaths or grass verges in the surrounding roads. You are also asked to please show consideration to local home owners and do not block garages and driveways. Please do not become abusive to local home owners.

Local Community Wardens and PCSO's continue to operate locally and will issue tickets where appropriate. Thank you.

### **Walking Bus from Morrisons**

WOULD YOU COMMIT TO BRINGING YOUR CHILD/CHILDREN TO SCHOOL FROM A DESIGNATED SPACE AT THE LOCAL MORRISONS?

The meet up, route and process would all be risk assessed and checked by Staffordshire County Council. With summer, and hopefully better weather arriving it would be a great start and end to the day and a chance to stretch your legs.

It would obviously mean reducing the number of vehicles around the school.

If you are interested in taking part would you please e-mail to say you would use it?

If you were interested in volunteering to help out with running the scheme, with assistance from the County Council, then please make that clear in your email.

With thanks to Mrs Fleurat, for her initial suggestion and support with this idea.

So far 4 parents have committed. Is there anyone else?

### **Operation Encompass**

Operation Encompass is an information sharing partnership between Staffordshire Police and Staffordshire and Stoke on Trent educational settings (from Reception through to Higher Education) which allows schools to offer immediate support for children and young people experiencing domestic abuse.

The letter sent previously has further details and information about this new cross - partnership initiative.

## **Staffing**

Please be aware that the new government guidelines mean some staff are classed as clinically extremely vulnerable. On-going self-isolation for staff due to their own need or needs of family members means there is a reality of us not having a full work force. We are therefore running with less than a full staff team at this time, this week 6 members of staff have been unable to attend work.

**The start of Lateral Flow Testing for staff in primary schools means there is the chance, at short notice, of disruption to planned lessons or the need for bubble closures.**

**PLEASE DO HAVE A PLAN B IN PLACE FOR CARE OF YOUR CHILD IF CLASSES HAVE TO CLOSE AT SHORT NOTICE!**

We appreciate your understanding of this matter. Thank you.

### **Tamworth Hygiene Bank**

Tamworth Hygiene Bank is a charity that offers support to families that find themselves unable to afford everyday hygiene products e.g. sanitary products, deodorants and shampoos etc. They achieve this by putting together bespoke packages for whole families or individuals. This is facilitated by working alongside schools and other organisations without the need for them to know any details other than how many people are in a family and their ages. They are completely funded by donated products and currently have drop off points at the Sacred Heart Church and Boots at Ventura. We now have a donation box in the school's main entrance, should you find yourself in a position to be able to donate hygiene products.

The charity have provided school with an assorted box of hygiene products that are available for anyone that might need them. Should you wish to access this service or if we can help out with something from the assorted box, please give Mrs McKay a call.

The charity also have a Facebook page; Hygiene Bank Tamworth should you wish to find out more or to message them directly.

### **Citizens Advice Mid Mercia - EU Settlement Scheme**

Citizen's Advice Mid Mercia are working alongside the Government in order to reach out to all of the families in Tamworth and East Staffordshire to support them with their EU Settled Status. The Government has recognised that not all families are aware that they need to ensure they have been granted settled or pre-settled status by the end of June 2021.

### **End of the Spring Term**

Following what feels like the longest spring term on record, due to delivery of both onsite and remote learning, I think everyone is ready for a few days rest over the Easter period.

Thanks to all the staff who have successfully provided onsite education for the children key workers and for vulnerable children as well as providing remote education for children learning at home.

The full re opening of schools has also been planned and delivered from 8<sup>th</sup> March. Our high attendance information shows the confidence of our parents and carers, in the measures we have, so that children and young people can learn, in as safe an environment as possible.

Thank you to all of our families, for your continued support during these challenging circumstances.

### **This is Holy week.**

"He himself bore our sins in his body on the tree, that we might die to sin and live to righteousness.

By his wounds we have been healed." (1 Peter 2:24)

Wishing you all a happy and holy few days around this Easter.
