Please could we remind you that home reading books need to be returned to school on a

Monday morning. This allows us enough time to change reading books, in time to go home with the children on Wednesday. Many thanks for your ongoing support.

Red Wednesday

On Wednesday (22nd) took part in Aid to the Church in Need's Red Wednesday. To mark Red Wednesday we dressed in red and joined together to pray for persecuted Christians around the world. At school, we joined with ACN and Mark 10 Mission to take part in the liturgy and livestreams to help us learn about and pray for people around the world who suffer because they are followers of Jesus.

Special Message from our School Council

At our School Council meetings, we have been thinking about different ways we can help care for God's Creation.

At this time of year, many people will be starting to think about Christmas Cards. To help us minimise paper and card use and help us have a sustainable Christmas, we have talked to our teachers about creating a 'Christmas Padlet' for each year group. The Christmas Padlet will help you wish your friends a Merry Christmas in an exciting, but also sustainable way.

The Year Christmas Padlets will open on Monday 27th November – you will receive a link to your year group padlet.

Christmas is also a time when we think about people who are facing challenging and difficult times.

This year, the Jesuit Refugee Service is asking people to write a Christmas Card for a refugee. The cards will be distributed amongst the people the Jesuit Refugee Service support.

If you would like to support this Christmas project, please put your Christmas Card in our Jesuit Refugee Service box in the porch. We will then send them to the JRS for 8th December. There is some more information about this below.

Thank you for helping us with our projects! The School Council

Interested in writing a Christmas Card for those we accompany?

As the days start to draw shorter and the weather takes a colder turn, our minds begin to look ahead to Christmas and all the preparations that come with it. For many of us, Christmas is a time spent celebrating with family and friends – surrounding ourselves with our nearest and dearest to share food, gifts and general seasonal joy.

For those accompanied by JRS UK, however, Christmas and New Year – as with any large celebration throughout the year – can be a much more difficult time as it is often a reminder of the people and communities that they are separated from. Feelings of isolation and loneliness that many experience may increase over this time, especially our friends who will continue to be indefinitely detained over Christmas and New Year.

We would therefore like to invite you to take part in this year's Christmas Card Appeal and help us to send a Christmas card and message of solidarity and support to all those supported by JRS. We hope that these messages might bring small bit of comfort, connection and encouragement at this time.

If you would like to take part in JRS's Christmas Card Appeal, please place your Christmas Cards in the JRS Christmas Card Appeal Box in the school porch by Wednesday 6th December 2023

Here are our Top Tips: Use a friendly, generic initial address such as 'Dear Friend'.

1. Some of those we accompany will be victims of torture or trafficking, others will have fled conflict zones or their homes to seek asylum in the UK, and all will be going through a difficult and isolating time. Your message should be one of solidarity and accompaniment for those who are going through this particularly difficult time.
2. We meet and accompany people of all faiths and none, so don't assume your card will be received by a Catholic or Christian. We advise you not to include any overtly religious messages that could be alienating to someone depending on their faith or nationality.
3. However, wishing someone a Merry Christmas or telling someone that you will remember them in your prayers is more than OK.
4. Please don't include your full name or contact details in the card

Important Safety Reminder

BIKES AND SCOOTERS SHOULD NOT BE USED ON THE SCHOOL PREMISES for the health and safety of our whole school community. Thank you.

Coats

Can I ask all parents and carers to make sure your child brings a coat to school?

It is November now and the colder, wetter months are ahead. The number of children without coats in school at times is shocking. **THANK YOU IN ANTICIPATION OF YOUR CO OPERATION WITH THIS MATTER.**

Dogs on the school grounds

A reminder please that dogs must not be brought beyond the school gates and onto school premises. Dogs are banned from all school grounds because of the danger of toxicariasis in dog waste. This is in line with County Council guidelines.

Please respect this request at all times. Thank you.

Message from the Friends of St. Gabriel's

The blue bin is now outside the office, ready for donations for the Christmas Fayre. We kindly request any gift bags that might be lying around the house, all shapes and sizes are gratefully received, also any unwanted gifts for the secret room. This can include anything like toiletry gift sets, new socks, mugs, purses, perfume, jewellery or even a jigsaw! Thank you.

Parking

The council have now placed wooden posts on the grass verge on the side of Wilnecote Lane to prevent parking there.

You will also note that Staffordshire Police have provided us with some signage to encourage parents and carers not to park on or block Wilnecote Lane and the school driveway.

- **Please continue to be aware of the need to park responsibly in the local area and around the school. Parking is not allowed in front of the school gates.**
- **The yellow lines and zig zags are there to stop people parking there and to protect and keep all of our children safe.**
- **Please never park up on the footpaths in the surrounding roads.**
- **You are asked to please show consideration to local home owners and do not block garages and driveways. Please do not become abusive to local home owners.**
- **Parking on the grass verge along Wilnecote Lane has been raised as a COMPLAINT with local police. We have been asked to advise all parents not to do this. Parking on the grass verges is dangerous and causes blockage for neighbours.**

We have received complaints from several businesses situated on the Seaton Industrial Estate: *"Over the past several months, we have noticed an increase in parents parking their vehicles on our industrial estate while dropping off or picking up their children from St Gabriel's School. While we understand the importance of ensuring the safety of students, the overflow of vehicles onto our property has become a persistent problem. This unauthorized parking disrupts our daily operations in several ways:*

- 1. Restricted Access: Parents' vehicles block access to our service entrances and parking spaces designated for our employees and clients. This impedes the timely delivery and shipment of goods, leading to delays in production and customer service.*
- 2. Safety Hazards: The additional traffic and congestion caused by parked vehicles on our estate create safety hazards for both pedestrians and drivers. This jeopardizes the well-being of our employees and visitors.*
- 3. Business Disruption: The disruptions to our operations have a negative impact on our productivity, and it also reflects poorly on our reputation when we are unable to meet our commitments to clients due to these parking issues."*

Please do not park on the Industrial Estate.

Local councillors continue to be involved and taking an active interest because of irresponsible driving behaviour by a small minority.

Thank you to the majority of our parents and carers who continue to park lawfully and sensibly.

Parking at Belgrave Club

We will notify you once new parking permits are made available to purchase. In the meantime, please continue to display last year's permit.

Belgrave Club have asked us to remind parents and carers that if the car park is full they need to seek alternative parking off site & not use staff spaces, disabled spaces & yellow gridded areas. We would also ask that you park according to the Club rules, as requested. The parking facility at Belgrave Club is a valuable service to school and we would hate to lose this facility due to inconsiderate parking. Thank you for your ongoing co-operation.
