Dear Parents and Carers

Re: Catholic Schools Inspection Report – 16-17 November 2023

We are delighted to share a copy of the above Catholic Schools Inspection Report. Thank you for your support in speaking to the Inspectors and completing the on-line Parent Survey Questionnaire, whilst they were completing the Inspection. We are proud that the Inspectors found St Gabriel's to be a welcoming and inclusive community, within a vibrant partnership with the parish of St. John the Baptist. This is testament to all of the Leaders, the school staff and the wonderful children of St. Gabriel's Catholic Primary School.

The report comprehensively comments upon the Catholic Life and community of the school, the quality of Religious Education taught and the range of liturgy and prayer opportunities the school provides to our children all year round.

The children showed the Inspectors how they take their own learning from the curriculum, which influences how they create their own prayers and they then take that learning into their wider life. The report recognised the hard work the staff put into creating engaging lessons, opportunities for the children to take on chaplaincy roles and bring to life the Catholic School Pupil Profile (Catholic Virtues) and social teachings for life today.

This is an amazing end to the first term of the year and it is wonderful to know that visitors to our school recognise the impact of our dedicated staff on our hardworking children. The Governors would like to take the opportunity to wish you and your families a blessed and joyful Christmas.

Yours sincerely,

Mrs. Gee Bernstein
