## Pupil Premium Strategy Statement 2018-19

### Impact Statement May 2019

St. Gabriel's is a welcoming school where:

We pray together, care for each other and learn together

We feel safe and respected

We try to do our best

Everyone is treated fairly

We have fun with our friends

With Jesus Christ at the heart of our loving Catholic community

## Our Aims for Pupil Premium Funding

At St Gabriel's we have the highest expectations for all of our pupils. As a school community we work hard to provide a broad and balanced curriculum that enables all our children to achieve academically, flourish socially and mature spiritually.

We strongly believe that social disadvantage should not be a barrier to learning or achievement at any stage of a child's education. We use our pupil premium funding to reduce barriers, accelerate progress and maximise attainment, this also includes using our pupil premium funding to ensure that the social, pastoral and emotional needs of our pupil premium eligible children are met effectively.

When allocating our pupil premium funding, we take into account:

- The needs (both individual and group) of our pupil premium eligible children – both academic and pastoral. We use assessment data, teacher knowledge and other relevant information to identify needs, barriers and solutions.
- Research papers – including papers from the DfE, the EEF, Sutton Trust etc. – that detail strategies which have had a positive impact on the attainment and progress of disadvantaged pupils.
- Ofsted / DfE guidance and current national expectations for pupil premium eligible children.

At St Gabriel's, Pupil Premium spending is closely monitored by the Senior Leadership Team and evaluated carefully by the Governing Body's Standards and Curriculum Committee. Our Link Pupil Premium Governor is Mrs Gee Bernstein. Our Pupil Premium co-ordinator is Mr Will Bright.

**Our key aim, therefore, is to narrow the gap in terms of achievement and opportunity for our pupil premium eligible children so that they can become 'the best that they can be.'**

3. Barriers to future attainment (for pupils eligible for Pupil Premium)	
In-school barriers (issues to be addressed in school)	
1	A number of Pupil Premium children have attended a number of other schools before joining St Gabriel's.
2	In nearly all year groups, there is an overlap – sometimes significantly – between the children eligible for the Pupil Premium and the children on the SEND register.
3	At each of the statutory assessment points, there is a gap (negative) between the attainment and progress rates of the children eligible for the Pupil Premium and those not eligible.
External barriers (issues which also require action outside school)	

1	On entry (Early Years), language skills are significantly lower for Pupil Premium children.	
2	Attendance rate for Pupil Premium children is slightly below non-eligible children (95.5%, compared to 96.1%). There is a larger gap for persistent absenteeism (6.4% for eligible children, 5.1% for non-eligible children).	
3	Lack of opportunities to engage, outside of school, with 'life experiences / life skills.' Narrow life experience outside of school. Low / limited aspirations.	
4	Very limited access to revision opportunities and resources not necessarily provided at home.	
5	Family Issues– Safeguarding / Finance / Parenting, routines, boundaries	
<b>4. Desired Outcomes</b>		
	<b>Desired Outcomes</b>	<b>Success Criteria</b>
A	<p><b>Closing the Gap:</b> KS2 SATs data to demonstrate an increase in attainment and progress for children in receipt of the pupil premium.</p>	<ul style="list-style-type: none"> <li>Higher percentage of PP children reaching EXS+ in reading, writing and maths in the KS2 SATs.</li> <li>Pupil Premium cohort to achieve a zero or positive progress measure score in the KS2 SATs.</li> </ul> <p><b>Impact</b></p> <ul style="list-style-type: none"> <li><b>% of qualifying children reaching EXS+ combined (R, W + M) rose from 8% (2016 – 17) to 58% (2017 – 18).</b></li> <li><b>Progress measure range from -1 to +0.6 – all within the 'average' range.</b></li> </ul>
B	<p><b>Closing the Gap:</b> Diminished attainment and progress gap between children eligible for pupil premium and children not eligible at all statutory assessment points.</p>	<ul style="list-style-type: none"> <li>% of eligible children reaching Good Level of Development in EYFS to increase.</li> <li>% of eligible children passing Phonics Screen (Y1+Y2) to increase.</li> <li>% of eligible children reaching EXS+ in reading, writing and maths in KS1 SATs to increase.</li> </ul>

		<p><b>Impact</b></p> <ul style="list-style-type: none"> <li>• % of qualifying children reaching GLD increased from 33% (2016-17) to 100% (2017 – 18)</li> <li>• Phonics Screen Check (Y1 + Y2) % of qualifying children dropped slightly.</li> <li>• KS1 SATs - % of qualifying children rose slightly from 33% (2016-17) to 38% (2017 – 18).</li> </ul>
C	<p><b>Accessing opportunities:</b> Reduced gap in attendance rate between children eligible for pupil premium and children not eligible.</p>	<ul style="list-style-type: none"> <li>• Improve attendance rate for eligible children.</li> <li>• Reduced percentage of eligible children classed as persistently absent.</li> </ul> <p><b>Impact</b></p> <ul style="list-style-type: none"> <li>• <b>The attendance rate and persistent absence rates both remained very similar.
