Year 5/6 Girls Football Team

Congratulations to the girls' football team, who won a football tournament last Thursday. The tournament was held at Rawlett High School and 12 primary schools took part and over 100 girls. The team played very well and won their first four games and drew the last to win the league on goal difference. Our captain Celeste said, "Scarlett did very well in goal and everyone worked well as a team." Many thanks to Mr Fowler for training the children and supervising them at the event. The team was: Celeste, Scarlett, Neive, Ella-Grace, Jessica, Krystal, Eva, Minnie and Georgia.

Friday 13th October - Non Uniform Day - Bright Colours for CAFOD Family Fast Day

Thank you for your donations for CAFOD, we raised a total of £230.00

Reader of the Week

Mr Bright will be announcing the reader of the week on Monday.

Reading Books

Please could we remind you that home reading books need to be returned to school on a **Monday** morning. This allows us enough time to change reading books, in time to go home with the children on Wednesday. Many thanks for your ongoing support.

Important Safety Reminder

BIKES AND SCOOTERS SHOULD NOT BE USED ON THE SCHOOL PREMISES for the health and safety of our whole school community. Thank you.

Coats

Can I ask all parents and carers to make sure your child brings a coat to school?

It is November now and the colder, wetter months are ahead. The number of children without coats in school at times is shocking. **THANK YOU IN ANTICIPATION OF YOUR CO OPERATION WITH THIS MATTER.**

Spare Clothing

During the colder/wetter weather could we suggest that children bring in a few spare items of clothing in their bag? If children get wet or fall over, it is useful for them to have spare items to change into as we have very limited spare clothing in school. Thank you.

Dogs on the school grounds

A reminder please that dogs must not be brought beyond the school gates and onto school premises. Dogs are banned from all school grounds because of the danger of toxicariasis in dog waste. This is in line with County Council guidelines.

Please respect this request at all times. Thank you.

Parking

The council have now placed wooden posts on the grass verge on the side of Wilnecote Lane to prevent parking there.

You will also note that Staffordshire Police have provided us with some signage to encourage parents and carers not to park on or block Wilnecote Lane and the school driveway.

- **Please continue to be aware of the need to park responsibly in the local area and around the school. Parking is not allowed in front of the school gates.**
- **The yellow lines and zig zags are there to stop people parking there and to protect and keep all of our children safe.**
- **Please never park up on the footpaths in the surrounding roads.**
- **You are asked to please show consideration to local home owners and do not block garages and driveways. Please do not become abusive to local home owners.**
- **Parking on the grass verge along Wilnecote Lane has been raised as a COMPLAINT with local police. We have been asked to advise all parents not to do this. Parking on the grass verges is dangerous and causes blockage for neighbours.**

We have received complaints from several businesses situated on the Seaton Industrial Estate: *"Over the past several months, we have noticed an increase in parents parking their vehicles on our industrial estate while dropping off or picking up their children from St Gabriel's School. While we understand the importance of ensuring the safety of students, the overflow of vehicles onto our property has become a persistent problem. This unauthorized parking disrupts our daily operations in several ways:*

- 1. Restricted Access: Parents' vehicles block access to our service entrances and parking spaces designated for our employees and clients. This impedes the timely delivery and shipment of goods, leading to delays in production and customer service.*
- 2. Safety Hazards: The additional traffic and congestion caused by parked vehicles on our estate create safety hazards for both pedestrians and drivers. This jeopardizes the well-being of our employees and visitors.*
- 3. Business Disruption: The disruptions to our operations have a negative impact on our productivity, and it also reflects poorly on our reputation when we are unable to meet our commitments to clients due to these parking issues."*

Please do not park on the Industrial Estate.

Local councillors continue to be involved and taking an active interest because of irresponsible driving behaviour by a small minority.

Thank you to the majority of our parents and carers who continue to park lawfully and sensibly.

Parking at Belgrave Club

We will notify you once new parking permits are made available to purchase. In the meantime, please continue to display last year's permit.

Belgrave Club have asked us to remind parents and carers that if the car park is full they need to seek alternative parking off site & not use staff spaces, disabled spaces & yellow gridded areas. We would also ask that you park according to the Club rules, as requested.

The parking facility at Belgrave Club is a valuable service to school and we would hate to lose this facility due to inconsiderate parking. Thank you for your ongoing co-operation.
