Dear parents and carers,

We are pleased to be able to inform you of the outcome of our recent Ofsted inspection. The school was again awarded a rating of *GOOD*. The lead inspector spent two full and very busy days at St. Gabriel's looking at all aspects of our school including lesson observations, detailed analysis of subject areas, talking to children and taking note of the comments many of you so kindly provided via the Ofsted Parent View survey.

We are delighted with this outcome. It is not, however, the result of just 2 days hard work in front of an inspector. Our staff continue to work extremely hard every day to make St Gabriel's the good school that it has been judged to be. This result is even more pleasing when taken in context with everything that has happened over the last couple of years, and is a testament to the whole St Gabriel's family who have pulled together in these extraordinarily difficult times.

We would encourage you all to read the report attached; it can also be found later today on the school website and by early next week on the Ofsted website (<https://reports.ofsted.gov.uk>). As part of our feedback the lead inspector remarked that St Gabriel's was 'a special place' and that she would remember our school. This is a lovely comment to receive from an inspector and shows what an impression was made over the two days.
