Dear Parents and Carers

Vocations Week - 19th June 2023

Thanks to Miss Townsley for her organising of all our visitors this week.

Our visitors have inspired the children in so many ways.

We thank all those who have been so giving in their time this week. The children and staff have really enjoyed your input.

Key Stage 2 and Key Stage 1 Sports Day

Thank you to everyone who made an effort to attend. As Mr Fowler said "The children always love this - we have to do it"

Mr Fowler was in school before 7.30am sorting and arranging with Mrs Taggart and Mrs Hanrahan assisting him.

Thank you to all the staff who helped arrange.

Mr Fowler wanted to say how pleased he was with the Year 6 children who supported the younger children during the afternoon.

Apologies for the early finish for Key Stage 1 - but thunder rumbles and a local lightening strike meant we had to get the large group off the open field. Thank you.

Choir concert

Mrs Taggart writes. On Tuesday 11th July at 2pm, the choir will showcase what they have learning in a mini-concert. It should last around 40/45 minutes. There are no tickets but space dictates that 2/3 attendees per child in choir would be ideal. The children will be dismissed as normal. Thank you.

Catholic Virtues

This half term's Virtues are **Intentional and Prophetic**. This children and staff at St. Gabriel's will be growing to be intentional in the way they live and use the resources of the earth, guided by conscience; and prophetic in the example they set to others.

Reception September 2023

A number of reception places for our September 2023 remain available.

If you know of a family member or friend recently moved into the area, please ask them to make contact with us.

Attendance

Parents of children with attendance below 90% have been written to recently.

The attendance of our children at school has received a massive blow due to the Covid pandemic. It has always been parents/carers legal duty to get children into school regularly, this is even more vital now due to the disruption to the children's learning. For this reason, it is so important that your child is in school for every educational hour possible AND THAT WE RE ESTABLISH OUR BEST POSSIBLE ATTENDANCE.

NO HOLIDAYS CAN BE APPROVED. I would ask that any routine appointments are made out of school hours and that you consider very carefully any absence from school. We don't want the education of our children to suffer any more than it has done already.

Our expectations for attendance are as per our published Attendance Policy which you can find [here](#) , we would encourage you to read and understand this.

Current attendance for the school year so far

Overall 94.79% (5/9/22-9/6/23)

R - 93.13%

Y3 - 95.88%

Y6 - 94.80%

Y1 - 93.10%

Y4 - 95.27%

Y2 - 95.36%

Y5 - 95.38%

Attendance overall, as shown above, is slowly creeping upwards.

We need to improve the attendance of our pupils, particularly our youngest pupils. Thank you.

Parking

Local Councillor Paul Thompson and a representative of the local police team visited school on Thursday March 30th. Developments are expected as a result.

Please continue to be aware of the need to park responsibly in the local area and around the school. Thank you to the majority of parents who continue to park lawfully and sensibly.

Parking is not allowed in front of the school gates, the yellow lines and zig zags are there to stop people parking there and to protect and keep all of our children safe.

Please never park up on the footpaths in the surrounding roads. **You are also asked to please show consideration to local home owners and do not block garages and driveways.**

Please do not become abusive to local home owners. Parking on the grass verge along Wilnecote Lane has been raised as a COMPLAINT with local police. We have been asked to advise all parents not to do this. Parking on the grass verges is dangerous and causes blockage for neighbours. Local police will be following this up. Thank you.

Enrichment Activities and Attendance

It is really encouraging to see the amount of enrichment activities the children are attending at weekends and evenings and this is something that we actively encourage for every child. However, we are noticing more and more that after these activities, children are not attending school because they are over-tired.

Whilst we fully appreciate that children will be tired, it is important to ensure that their attendance at school is not affected. Additionally, it is an ideal opportunity to build resilience, as we all recognise that there are things we need to do, as adults, even when we are over-tired!

I would really appreciate your support and understanding with this issue.

Family & Community Information Hub

Please could I draw your attention to the family and community information section on our website? This section contains a wealth of current information on community activities, mother and toddler groups, free courses, job and training opportunities, information for parents of children with additional educational needs along with opportunities available to them for example short breaks and also information on healthcare.

Please take some time to have a look at the information found [here](#) and keep checking in - there will be new information added most weeks
