Dear Parents

IMPORTANT

IF YOU TAKE A CHILD FOR A PCR TEST THEY MUST NOT ATTEND SCHOOL IN ANY CIRCUMSTANCES WHILE AWAITING A RESULT, FOR THE SAFETY OF OTHER PUPILS AND STAFF. THANK YOU.

PLEASE SEE SECTIONS BELOW FROM THE COVID SCHOOL UPDATE FROM STAFFORDSHIRE COUNTY COUNCIL

New Guidance for Schools

In line with DFE guidance schools should:

- Continue to promote vaccination for eligible staff;
- Ensure that symptomatic staff and pupils isolate and take a PCR test;
- Ensure that staff take regular lateral flow tests, twice a week, and isolate if they get a positive result;
- Ensure that contacts of cases, especially household contacts take a PCR test, commence daily lateral flow tests, and isolate if they get a positive result;
- Ensure that face coverings are worn by staff and any visitors when moving around the premises, outside of classrooms, such as in corridors and communal areas;
- Ensure that plans are in place to support pupils with online learning where necessary; and

Changes to the self-isolation period for individuals who test positive for COVID-19

Since Wednesday 22 December, the 10 day self-isolation period for people who record a positive PCR test result for COVID-19 has been reduced to 7 days in most circumstances, unless you cannot test for any reason.

Individuals may now take LFD tests on day 6 and day 7 of their self-isolation period. Those who receive two negative test results are no longer required to complete 10 full days of self-isolation. The first test must be taken no earlier than day 6 of the self-isolation period and tests must be taken 24 hours apart. This also applies to children under 5, with LFD testing at parental or guardian discretion. If both these test results are negative, and you do not have a high temperature, you may end your self-isolation after the second negative test result and return to your education setting from day 8.

Anyone who is unable to take LFD tests will need to complete the full 10 day period of self-isolation. Further information is available in the [stay at home: guidance for households with possible or confirmed COVID-19 infection](#).

Testing

Please continue with regular Lateral Flow Testing (LFT) twice a week wherever possible, although we understand nationally there are ongoing issues with the supply of LFTs.

People who have one of the main three symptoms, feel generally unwell, or have been in close contact with someone who has tested positive should take a PCR test.

See our website for [advice on testing and self-isolation](#)

Get the basic principles of virus controls done well as part of your behaviour.

The spread of **ALL** variants will be reduced by:

- Limiting your mixing
- Keeping your distance
- Wearing a mask and wearing it properly - fully over your nose
- Good hand, nose and mouth hygiene
- Good ventilation

Attendance

Further to the email sent to all parents on Monday 22nd November 2021. Please assist by:

- Not taking holidays in term-time, no period of leave for holiday can be authorised
- Only request a leave of absence when absolutely necessary
- Book routine appointments where possible outside of school times
- Not taking time off school for minor ailments - ask yourself if you would stay off work for the same
- Be on time for school - lateness disrupts the start of the day for your child and many key interventions take place in the first few minutes of the day
- Remember there are 175 non-school days per year, plenty of time for holidays, visits, days out and routine appointments

Mr Arkadiusz Wasilik

Sadly I must tell you that Mr Wasilik (Arek), father of Oscar in Year 3, died on 31st December.

This followed a long, brave battle with cancer.

Arek is remembered by his family as a good man who was interested in the best for his family.

Please remember and pray for Mrs Wasilik, Oscar and older daughter Patrycja.

May Arek rest in peace.

Staffing Shortages

Given the unprecedented current spread of Omicron, I want to say clearly that we will be doing everything to keep children in school wherever possible, while it remains safe to do so in terms of staffing levels.

Previously I have each week recorded numbers of staff absent in a week. Be aware that a number of teachers are already off isolating due to Covid. There is likely to be continuing shortages over the weeks ahead.

A range of approaches will be taken to cover absence. Please understand that absences cause a greater load of work for all staff in school covering for absent colleagues. Thank you.,
